"Whatever - The Eclipse of Faith and Reason"
Matthew 16:13-23

ABOUT TODAY

Whatever is the meaning of life? Whatever happens when one dies? Whatever is your highest value? These are questions that demand more than a "Whatever!" answer. The "Whatever!" answer of Secularism, however, eclipses and even darkens serious thought and blots out any attempts at engaged conversation in our culture. The "Whatever!" of Secularism has even invaded the church, yet, do not be discouraged, but rather take heart in God's Word.
